No. 11

A most successful Social afternoon, with about 40 present, was held at Mulberry Cottage, Goring, through the kindness of Mr. and Mrs. E.L. French. Everyone brought cakes and our hosts provided tea, and a scrumptious meal resulted.

This was followed by some interesting slides from 4 of our members, and a lively discussion ensued. An odd looking wooden hook, and a piece of leather from Cromwell's boot, were passed round for examination.

Four new members, and a possible fifth, were welcomed - Alan Wilson, Anne and Clive Hart and Meg White.

## EVENING CLASSES

These will resume on March 5th, at the Thatched Cottage, with David Sturdy as tutor. New members to the classes are welcome. Please appear at 7.30 p.m.

## GORING LOCAL HISTORY SOCIETY

We have been invited to give a talk on our work and activities to the above Society on April 30th, at Goring Primary School. This is very gratifying and will enlarge our circle even more.

We hope to start digging again in March as it is too muddy at present.

Five members attended the C.B.A. Conference at Rewley House, Oxford and our work at the Moat was mentioned. We are also in the Oxford City and County Museum Newsletter again.

About 3 members will be attending a weekend course at Portsmouth, and we hope to arrange some field walking over prospective new sites, weather permitting.

Our best wishes for recovery to Sylvia Jones and Peter Skinner, and our congratulations to the Rosses on the birth of their daughter.

Next Meeting on March 12th, at the Thatched Cottage, when Mr. M. Aston, Assistant Field Officer, Oxford, hopes to attend.
